### INVITATION

#### KIDS FOLK ART MOROCCO 2025

The Kids Folk Art in it's Third edition is a culture educational and artistic program for children and young people from around the World in order to create a platform for participants to exchange and develop their skills and interest in an atmosphere of peer learning . With the support of artistic instructors, children and adults work together to create an inclusive project for participants from different backgrounds and cultures focusing on what unites them as young artists. We believe that the strength of our project lies in creating it with children and young people in spirit of respect for their heritage and identity and with their full participation and agency on the final result which will be the final performance shown to a wider audience.

**As part of the Kids Folk Art in 2025 we would like to invite a group from The MALI GORZOWIACY from POLAND. To participate in next year 's Edition which will be held on 16.07.2024 – 26.07.2024 in Ouled Teima, Morocco. The artistic group MALI GORZOWIACY consists of one Leader and Seven children between 10-17 :**

The Youth Association for Culture and Development undertake to provide the transport from airport to the place of accommodation in Ouled Teima and from the place of accommodation to the airport before group's departure from Moroccan and cover all expenses related to accommodation and food for the group while staying in Morocco during the project.
